About me

Hi, I am Ronnie and I am passionate about coding. I care about writing clean code and have a genuine desire to learn and be a good developer. I am currently looking for the right opportunity to work in an environment where I can contribute my knowledge and skills to the organization and enhance my experience through continuous learning.

Experience

Web Development Experience

- On a learning phase through courses on HTML, CSS and JavaScript and build apps using Angular/React eventually.
- Passionate to learn more and work on projects that involve JavaScript problem solving.

Work Experience

Senior Insurance Operations Specialist | Allianz Technology | Trivandrum

Duration: September 2017 (Currently working)

- Has been working in NA Claims FNOL which involves direct US client interaction for more than 3.5 years.
- Responsible for setting up claims and sending it to the onshore team with emphasis on delivering better than the SLA.
- Process training for employees and query handling.

Awards & Acknowledgements / Strengths

- Received RnR Medal Award for the year 2018 and other awards and recognitions for good performance.
- Good at client interaction.
- Ability to learn and eager to excel in the field of work.
- Can work efficiently and fast. Comfortable to work in night shifts
